PERFORMANCE CERTIFICATE

We are regularly procuring the Air Preheater Heating Elements & other Spares from M/s. GEECO Enercon Pvt. Limited, Tiruchirapalli, for our Lignite Fired Thermal Power Station of 250 MW size. The performances of the supplied Spares including Baskets are quite satisfactory.

GEECO is also providing Technical Support on our request to ensure Trouble Free Operation of our Air Preheaters and for any modification required for Efficiency improvement.

For ST-CMS Electric Company Private Limited.
